Hi Megan,

I am replying about file LL000152.

I am a business just around the corner from the Kal sports bar. I have to say I was a little taken aback that they were asking for an additional 100-person capacity!

My main question is where will these additional people park? Parking downtown is already at a premium. There is rarely any parking in front of our store or on our street during the Kal's regular hours (especially Thurs-Sat). We have our neighbors parking in the ally for pick up and drop off, please tell me where my clients are supposed to park to pick up their orders. Where are those visiting ANY of the businesses on 29th and/or 30th going to park?

I would be very curious to know the answers to these questions before the city approves anything.

Thank you in advance for allowing us to voice our concerns before a decision is made.

Cheers,

Miranda Brooks
