## **ALTERNATIVES & IMPLICATIONS:**

## **ANALYSIS:**

### **A. Committee Recommendations:**

N/A

### **B. Rationale:**

1. Zoning Bylaw 6000 was adopted by Council on June 24, 2024, marking the conclusion of Phase 1 of the zoning bylaw review process that was triggered by the changes in Provincial legislation to establish Small Scale Multi Unit Housing (SSMUH) and Transit Oriented Development Areas (TODAs).
2. Given the short timeframe allotted by the Province to enact zoning regulations for SSMUH and TODAs, Administration recommended implementing a three phased approach to updating the City's zoning bylaw:

- 1) **Design:** Create Zoning Bylaw 6000, incorporating the new Provincial housing legislation. **(Completed June 24, 2024)**
  - 2) **Refine:** Update sections not covered by the Provincial housing legislation, review feedback from the community, correct potential errors or unintended outcomes created by the changes. **(Current Phase)**
  - 3) **Align:** Update Zoning Bylaw 6000 to reflect the Official Community Plan (OCP), Transportation Plan (TP) and Housing Needs Report to ensure zoning supports the City's growth over the next 20 years. **(Fall 2025)**
3. Since adoption, Administration has created a record of properties identified through internal processes, as well as feed back from the community where the new zoning assigned may need to be reconsidered. Administration has prepared two bylaws for Council's consideration to address anomalies identified in the zoning map.
- i. Housing Zone Map Amendment Bylaw 6010, 2025 (Attachment 1); and
  - ii. Commercial Zone and Downzoning Map Amendment Bylaw 6031, 2025 (Attachment 2).
4. Bylaw 6010 addresses zoning designations on 36 properties in housing zones. In accordance with Section 464(3) of the *Local Government Act*, the City is prohibited from holding a public hearing for these zoning amendments. The proposed changes are to address the individual circumstances for each lot and rationale for each is provided in Attachment 3. This Bylaw will be presented to Council for consideration following public notice.
5. Bylaw 6031 addresses zoning designations on two properties operating a commercial business in a housing zone and proposes to reassign the zoning designation to CMUN – Commercial Mixed Use: Neighbourhood to align with the uses occurring on the site. Additionally, the bylaw proposes downzoning two properties in housing zones from medium density to low density. The proposed changes are to address the individual circumstances for each lot and rationale for each is provided in Attachment 4.

**C. Attachments:**

1. Housing Zone Map Amendment Bylaw 6010, 2025
2. Commercial Zone and Downzoning Map Amendment Bylaw 6031, 2025
3. Bylaw 6010: Property listing and rationale
4. Bylaw 6031: Property listing and rationale

<b>Civic</b>	<b>Bylaw 5000</b>	<b>Current Zone</b>	<b>New Zone</b>	<b>Reference Map</b>	<b>Rationale</b>
9012 Eastside Road	RR	AGRS	MUA	1	The property owner removed subjects on their contract to purchase the property prior to the adoption of Zoning Bylaw 6000 based on the 1 Acre minimum lot size in the RR. Properties previously zoned RR could fit within the AGRS or MUA zoning designation. As the property

					purchase was based on a 1 Acre minimum lot size in the RR zone, Administration recommends assigning the MUA zone as its minimum lot size is 1 Acre.
Tronson Road (No Civic Address)	R3	MUA	MUS	2	The property was assigned MUA due to its size. The property was subject to a rezoning application (ZON00398) which was adopted by Council to support subdivision of a section of the property. Administration recommends assigning MUS to that portion of the property to support the proposed subdivision.
5311 20 Street	RH2	MUS	MUM	3	The property was assigned MUS based on its zoning designation and location at the time zoning information was pulled from the City's registry to create the map for Zoning Bylaw 6000. On May 13, 2024, Council adopted Bylaw 5974 which assigned the RH2 zone to the property. As such, Administration recommends assigning the MUM zone to align with the adopted rezoning of the property.
Peregrine Way (No Civic Address)	RR	AGRS	MUA	4	The property made application for subdivision (SUB00849) under the RR zone prior to adoption of Zoning Bylaw 6000 which had a minimum lot size of 1 Acre. Administration recommends assigning the MUA zone to support the proposed subdivision.

Bella Vista Road (No Civic Address)	A2 R2	AGRS MUA	PANS MUS	5	<p>The subject property had multiple instream applications when Zoning Bylaw 6000 was adopted (SUB00882, DP000931, and ZON00375). The upper portion of the property currently zoned ARGS is being acquired by the Regional District of North Okanagan to expand existing trail networks. The lower portion of the lot currently zoned MUA is proposed to be subdivided. Administration recommends assigning the PANS zone to the portion of the property currently zoned AGRS to support the RDNO acquisition and assigning the MUS zone to the portion of the lot currently zoned MUA to support the proposed subdivision.</p>
3398 Davison Road	HR1 HR2 P1	MUA PANS	MUS PANS	6	<p>The subject property is a remainder lot representing future phases of an active subdivision (SUB00802, SUB00803, and SUB00864). Zoning to support the subdivision was in place under Zoning Bylaw 5000. However, due to the size of the property it was assigned MUA when Zoning Bylaw 6000 was adopted.
