# Vernon Resident Program

The Vernon Resident Program (VRP) is a fee structure for the Recreation programs and services that was adopted in October 2023. All users of City of Vernon Recreation programs and services must use this fee structure.

Once “Residency Criteria” is met, a VRP card will be issued to each individual 7 years of age and older. This card must be present at the time of financial transactions for individuals to receive discounted rates on City of Vernon programs and services. Residency criteria must be renewed and met annually to continue eligibility for the VRP.

“Residents” of the City of Vernon are eligible for a VRP card, once “Residency Criteria” is met. Non-Residents can purchase a VRP Card for \$800.00 per household annually.

Those who hold a VRP card will receive a 50% discount off of the posted rate for drop in swim, skate, shinny, and sport. VRP card holders also receive a 25% discount off of select programs and have early access to program registration.

For Regular Rental Groups the following will apply:

- Minor Sport Organizations listed under Section C III, Rate Use Categories, will not be required to verify membership and will receive a fifty (50) percent discount off the Adult Community Rates. These groups will need to apply annually and as part of their application will have to list the previous year’s residency and age demographics of membership.

- The Residency Rate will be applied to those who users who meet the Residency Criteria.

A mandatory facility enhancement fee for parks and recreation facility rentals of 2% for residents and 4% for non-residents will be levied and included in the following rates.

All City of Vernon programs and services are open to everyone. Without a VRP card, posted rates apply.

**Residency Criteria\*:** individuals who are:

- (ii) non-resident property owners, 18 years and older, who complete required documentation and provide proof of property ownership in the form of current paid property tax slip and current government issued photo ID. If there is more than one individual who is the registered owner of the property, only one individual may register as a non-resident property owner.

**Fee for Service Provision:** individuals whose municipality have entered into an official fee for service with the City of Vernon will qualify as "Residents" under the above-mentioned definitions.

## **Multi Use Facility – Kal Tire Place**

The facility was constructed to provide needed ice time and to be one of the premier facilities in the Greater Vernon area. One of the purposes of the facility is to attract events that otherwise would not be available for the citizens of the community to enjoy (special events). To provide a facility to host these types of events is costly and the people who attend these events, or sponsor these events, should be prepared to pay an appropriate fee to use/attend the facility.

One of the challenges is to find that balance in fees that is most beneficial to the owner, yet still affordable enough to attract events and users. The fee structure has been put together with these principles in mind. It is also important that the operators have flexibility and the authority to negotiate fees/charges for major events and the operator should be given this authority.

The other issue is to use the facility appropriately. The facility should be used for special events that cannot be accommodated in any other facility in the community. This would result in the best use of the ice time plus the most efficient use of all facilities in the community.
