

**BACKGROUND
CLLR. ANDERSON – NOTICE OF MOTION
ENFORCEMENT AND PLACEMENT OPTIONS FOR THOSE LIVING IN
RECREATIONAL VEHICLES**

Rationale:

Councillors have received numerous complaints by citizens and commercial enterprises that have been directly affected by the RVs parking on 25 Avenue. Existing Bylaws do not supply bylaw officers with the tools they need to address the situation, nor does the city have alternative locations or suggested locations for the RVs. This motion asks administration to suggest

- 1 A Bylaw that allows officers to act on complaints of permanently parked and occupied RVs on city streets; and
- 2 Suggest solutions and/or alternate locations for the *existing* Rvs on 25th Avenue and elsewhere within the city.
