**City of Vernon,**

From all the staff, coaches, and athletes at NVGS, we would like to thank you for your generous donation of \$10,000! It is the kindness from people like yourself that help us offer expectational gymnastics programing to children across the North Okanagan.

Your donation will help NVGS grow significantly. At this time, your donation will go towards acquiring and filling a permanent home back in Vernon BC. Though we are grateful for our temporary location at Whitevale Elementary, we wish to be back in Vernon to better serve our membership from a centralized location.

NVGS is dedicated to promoting the health and physical fitness of the community. Permanent equipment and trained coaches provide a range of fitness options. Through careful programming, NVGS provides programs uniquely designed to make each participant feel welcome and comfortable without regard to ability or fitness level.

Thank you again for your generous donation. We will send updates quarterly so you know exactly what is happening with your donation, and how you are helping us offer quality and professional programing to kids of all ages.

With sincere gratitude,

Tayler Delannoy,  
Club Manager
