As the nation-wide leader and champion for mental health, CMHA facilitates access to the resources people require to maintain and improve mental health and community integration, build resilience, and support recovery from mental illness.

Having restorative justice closely integrated into mental health services helps foster community cohesion in safe, inclusive spaces where we can enhance understanding, healing, and growth for those impacted by harm and those who have caused harm.

## Deliverables:

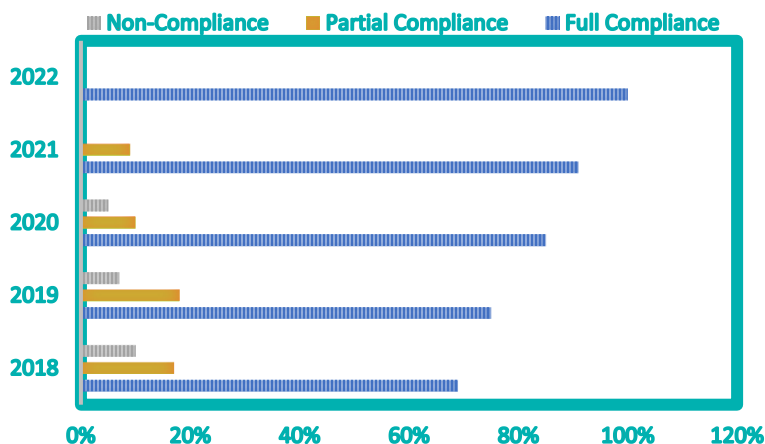

- Provide services for persons harmed (victims)
- Provide services for young persons (age 12 – 17) and adult (18 and up) persons who caused harm (accused)
- Approach Regional District of North Okanagan in 2022.
- Secure additional funding from sources other than the City of Vernon to be used to maintain the service level for 2022.

“Restorative Justice is respect. Respect for all, even those who are different from us; even those who seem to be our enemies. Respect reminds us of our interconnectedness, but also of our differences. Respect insists we balance concerns for all parties. If we pursue justice as respect, we will do justice restoratively.” – Howard Zehr
