

**BACKGROUND
CLLR. ANDERSON – NOTICE OF MOTION
SIGN BYLAW AMENDMENT**

Rationale:

Several terms ago the City of Vernon created a Bylaw disallowing the use of campaign signs on public property during a municipal election. The Bylaw has been either widely ignored by candidates (2015) or intentionally set aside by Council (2018) for the simple reason that the Bylaw is unreasonable and may even be illegal, as a curb on free expression. Instead of remaining in the position of setting aside our own Bylaw, it makes more sense to remove it.
